

# Twiss Green Child Friendly Safeguarding Policy

## What is Safeguarding?

All the adults around you think that your health, safety, and welfare are very important.

In our school, we respect our children and help to protect their rights.

We do our best to help children make good educational progress.

We teach children how to recognise risks in different situations, and how to protect themselves and stay safe.

## How will we try to protect children?

We will try to provide a safe environment for children to learn in.

We want to help to ensure the children remain safe, at home as well as at school.

We think that it is important for our children to know where to get help if they are worried or unhappy about something.

## Need to talk?

You can talk to **any adult** in school if you need to, but **Mrs Hughes, Mrs Kelly and Mrs Milward** have special responsibilities for keeping you safe and will ALWAYS be there for you - just talk to them!
